LETTER FROM THE BYX FRATERNITY PRESIDENT

MISSION:

Statistics over the past 20 years have shown the majority of young Christian men walk away from their faith during their college years. The recent statistics are even more staggering. These are critical years in the lives of young men that wage war for their values and purity as well as their purpose and calling in life.

Since 1985, BYX has existed to stand in the gap and provide a solution for young men who want to enjoy a fraternity experience while being surrounded by a community of like-minded brothers that will encourage their relationship with Jesus and help them develop as godly men. BYX helps lay a foundation in the lives of our members that continues to impact them as they graduate from college and become leaders in their churches, workplaces, and families.

A YEAR IN REVIEW:

This past year has been another year of tremendous growth for BYX. The national staff has made a concerted effort to raise the spiritual standard in our chapters and empowering our leaders to inspire their members towards fulfilling the vision of BYX on their campuses.

Establishing the BYX Foundation in 2018 has paved the way for unprecedented support for the fraternity. Under the leadership and direction of the BYX Foundation President, Jason Hoyt, the Foundation received approximately \$457,000 from generous alumni and donors, which included nearly \$80,000 in scholarships for our members. In addition to our annual COR Leadership Retreat and National Leadership Summit, the success of the BYX Foundation also allowed us to partner with Chic-Fil-A to host the first ever President's Circle Retreat at Winshape Camps outside of Atlanta, Georgia. In addition to all of our leadership initiatives, we expanded to another Big Ten school by initiating our newest chapter at Ohio State University.

FORGING AHEAD:

In order to position ourselves to continue to grow and reach our potential, the Board of Directors approved two new positions for our national staff. This summer, we hired Nick McGaha to be our Director of Expansion as well as Connor Callison to be Director of Media. Nick will be focused on continuing to develop a new vision and structure for expansion as we look to establish BYX Colonies that will build flourishing and self-sustaining BYX chapters throughout the country. Connor will be focused on helping us continue to tell the story and share the impact of BYX in creative and

inspirational ways as we move forward. With these two new additions to our staff, we are dreaming about the future of BYX in new and exciting ways. We are thrilled about the days ahead as we continue to grow in brotherhood and unity under the common bond of Jesus Christ.

Thank you,

Brian Lee

BYX NATIONAL HIGHLIGHTS

"The immersive, purposeful culture that BYX fosters has been extremely meaningful to my life. I didn't begin following Christ until my senior year of high school, and I'd never truly been part of a Christian community before college. But through BYX I saw how the Christian life is meant to be lived. That experience made me a 'sharper piece of iron' and continues to affect how I approach my job, my marriage, my kids, and everything in-between."

- Mark Halling, Vanderbilt BYX Alumni
